

Infant Development Association – North Chapter
Invites You to Attend

DATES AND NEW LOCATION!
Networking Socials - Time to Connect!
1/17/17 and 3/21/17 6:30-8:00pm

WHY YOU WANT TO JOIN US

Do you work with children 0-5 years of age as an early interventionist, child care professional or developmental specialist?

Looking for opportunities to meet colleagues, talk about strategies and interventions, meet and build a support community?

If so, please join the North Chapter of the Infant Development Association (IDA) as we sponsor our third networking event focused on early childhood providers.
(You do not need to be a member of IDA to participate in these free networking socials!)

For your convenience, future networking socials will vary the location based on interest and availability
(Your sites, people's homes, a local restaurant, or even parks!).

IT'S A POTLUCK

Bring snacks and beverages to share-we anticipate about 25 colleagues.
